## 1. THE GLOBAL HEALTH PLAN AGREEMENT

This **agreement** together with **your application form**, and **your certificate of insurance** make up the contract between **you** and **us**. The terms of this **agreement** apply to **you** and to all of **your eligible dependants** as stated in the schedule of **insured persons** on **your** (the **plan holder's**) **certificate of insurance**.

### The purpose of your plan

**Your plan** provides **you** with cover for treating eligible medical conditions which arise after **your date of entry**.

**We** will pay for the **reasonable and customary** cost of **medically necessary**, recognised **treatment** for medical conditions covered by **your plan**. **We** will only pay for such **treatment** if it is received during **your period of cover**, and provided **your premium** payments have been kept up to date.

Any reimbursement **we** make may be subject to an **excess** and/or **co-insurance**, and certain benefits are subject to a benefit limit. **Your excess** amount will be stated on **your certificate of insurance**. Any **co-insurance** and benefit limits will be as stated in the **table of benefits** for **your plan type**.

### Your obligation to provide information relating to your own, and to your eligible dependants' medical history

**We** rely on the information **you** supply to **us** in **your application form** when **we** decide whether or not to accept **your application**, and whether or not **we** need to apply **special terms**.

If **your application form** omits facts or contains materially incorrect or incomplete facts, **we** have the right to declare **your plan** void. Alternatively **we** may impose **special terms** on **your** particular **plan** which will apply from **your date of entry**.

If **your** state of health, or the state of health of any of **your eligible dependants** changes between the time **you** complete **your application form** and **your date of entry**, **you** must tell **us** in writing about the change, and **we** may only be able to accept **your application** with **special terms**.

### Pre-existing medical conditions and related conditions

Unless **we** have agreed otherwise, **your** Global Health **plan** will not cover any **pre-existing medical conditions** or **related conditions**.

### Cover for chronic conditions

If **you** have the Essential Care Plus **plan type**, **your plan** covers **in-patient** and **day-patient treatment** of eligible **chronic conditions**, and **post-hospital treatment** for acute flare-ups of eligible **chronic conditions** within the **Annual out-patient benefit limit**. **You** are also covered for up to US\$1,000 per period of cover, within the **Annual out-patient benefit limit**, for the cost of regular consultations, tests and prescribed medication that are aimed at maintaining or controlling the stability of an eligible **chronic condition**.

If **you** have the Essential Care plan type, your plan covers **in-patient** and **day-patient treatment** of eligible **chronic conditions**, and **post-hospital treatment** of eligible **chronic conditions** within the **Annual out-patient benefit limit**, for an acute exacerbation of a **chronic condition**. No cover is provided for the cost of **treatment** that is aimed at maintaining or controlling the stability of a **chronic condition**.

### Age limits

**You** must be under 70 years of age at the commencement date of **your** Global Health **plan**. **You** may apply for cover on behalf of **your** spouse or partner (provided they are under 70 years of age), and/or on behalf of **your** unmarried children, provided they are aged less than 18 years old, or less than 25 years old if in continuous full-time education.

### Commencement of your cover

**Your** cover will commence from the **date of entry** stated on **your certificate of insurance**. **We** will not commence **your** cover until **we** have accepted **your application** and **we** have received payment of **your** full annual, half-yearly, quarterly or monthly **premium**.

### If you take up residence in an excluded country and/or region

Under the terms of this **agreement** cover is not available to **you** if **you** take up residence in an excluded or restricted country and/or region, irrespective of **your** nationality.

These countries and/or regions are as follows: USA, Canada, any **Caribbean country or island**, all countries within the European Union, Andorra, Channel Islands, Gibraltar, Greenland, Iceland, Liechtenstein, Monaco, Norway, San Marino, Switzerland, Australia, Bali, China, Hong Kong, Japan, Macau, New Zealand, Singapore and Taiwan.

If **you** take up residence in an excluded or restricted country and/or region **you** must tell **us**. **Your** cover will automatically terminate from the date on which **you** take up residence in the excluded or restricted country and/or region.

## 2. YOUR AREA OF COVER

### Excluded countries or areas

- No cover at all is provided in the USA, Canada, any **Caribbean country or island**, and the **London area**.

### Restricted countries and regions

- For all countries within the European Union, Andorra, Channel Islands, Gibraltar, Greenland, Iceland, Liechtenstein, Monaco, Norway, San Marino, Switzerland, Australia, Bali, China, Hong Kong, Japan, Macau, New Zealand, Singapore and Taiwan the cover **we** provide is restricted to **emergency treatment you** receive whilst on a temporary trip.

**Emergency treatment** is essential **treatment** covered by **your plan** and required if **you** suffer an **accident** or a sudden and unforeseen illness **you** have never suffered from before. Cover is only provided in accordance with the benefits of the **plan** stated on **your certificate of insurance** and no cover will be provided in respect of a **pre-existing condition** or **related condition**, or any condition specifically excluded on **your certificate of insurance**. **We** will not pay for **treatment** if **you** have travelled to a restricted country or region knowing that **you** would require **treatment**. **We** only pay for **treatment** that in **our** opinion was essential and could not reasonably have been delayed until **your** return to a country within **your area of cover**.

A temporary trip is a trip of not more than 90 days duration. Any trip of longer than 90 days will not be covered.

An emergency evacuation is not classed as a temporary trip. In the event that **you** suffer a **life-threatening condition** that cannot adequately be treated locally **you** will be evacuated to the nearest **hospital**, in a country other than an excluded or restricted country/area, capable of treating **your** condition.

The maximum benefit **we** will pay in respect of all **emergency treatment you** receive in restricted countries or regions during an annual **period of cover** is US\$50,000.

### 3. THE BENEFITS PROVIDED BY EACH GLOBAL HEALTH PLAN

The following **table of benefits** sets out the cover provided by each **plan type**. The **plan type** you have is as shown on **your certificate of insurance**. **We** will pay only for the **treatment** or services stated in the **table of benefits** relating to the **plan type** you have.

Where there is a lifetime benefit limit, this is the maximum amount **we** will pay in respect of that particular benefit during **your** lifetime.

Certain benefits in the **table of benefits** specify a **waiting period**. **You** must be covered by the same **plan** for the full duration of the specified **waiting period** before **you** can claim for that benefit. No benefit is payable for any **treatment** costs incurred during the **waiting period**.

The limits shown in the **table of benefits** are the maximum amounts **we** will pay after the **application** of any **excess** and **co-insurance**.

Each benefit limit in the **table of benefits** is expressed in US Dollars, and this is the currency **we** will apply to **your plan**.

**IMPORTANT NOTE: The table of benefits should be read in conjunction with the Important Notes at the top of each benefits section, and the COSTS NOT COVERED BY YOUR PLAN section.**

**Where the term full cover appears, this means full refund of reasonable and customary charges, less any excess applicable to your plan, and subject to any co-insurance and/or any benefit limits and/or number of session limits shown in the table of benefits, to include any limits in other benefits elsewhere in the table applying to your claim.**

## 5. MAKING A CLAIM

As stated in the **table of benefits**, there are certain benefits and **treatments** for which **you** must obtain pre-authorisation.

If **you** need to claim for a benefit or **treatment** for which **you** must obtain pre-authorisation, **you** must contact **us** in advance of starting **your treatment** and give **us** all the information **we** require to assess if **your** proposed **treatment** will be eligible for cover under **your plan**. If **your** proposed **treatment** is eligible for cover, **we** will pre-authorise all eligible expenses. **We** will not pay for any **treatment** costs or expenses that have not been pre-authorised by **us** in advance.

#### Eligible medical services providers

**You** have the freedom to choose when and where **you** receive **your** medical **treatment** within **your** area of cover. **We** do not have hospital lists which restrict where **you** can have **your** **treatment**.

#### If you are admitted to hospital

All **in-patient** and **day-patient hospital treatment** must be pre-authorised by **us** or by the **Assistance Service**.

Please contact **us** as soon as **you** know **you** need to have **in-patient** or **day-patient treatment** so **we** can contact the **hospital** to obtain the necessary medical information.

**We** will ask **you** to complete a pre-authorisation form and a consent form for the **hospital** to release details to **us**. Once **we** have received all information required from the **hospital** and **yourself** (to include any additional information **we** may request) **we** will advise **you** if the proposed **treatment** will be covered by **your plan**.

Please note, if **you** contact **us** less than 48 hours in advance of **your** admission **we** may be unable to authorise **your treatment** in time and **you** may be required to pay for the **treatment yourself** and submit a claim for reimbursement.

If **you** are admitted to **hospital** in an emergency and it is not reasonably possible for **you** to contact **us** in advance of **your** admission, **we** will consider **your** claim, provided **you** contact **us** within 72 hours of **your** admission. If **you** do not contact **us** within 72 hours, **we** may decline **your** claim, or subject **your** claim to 20% **co-insurance**.

#### If you have out-patient treatment

Although most **out-patient treatment** does not need to be pre-authorised in advance by **us**, **we** recommend that **you** do contact **us** or the **Assistance Service**, even in the event of an emergency, before undergoing any **treatment** to ensure that the **treatment** is covered by **your plan**.

#### How to claim back your eligible treatment costs

If **you** are claiming for a medical condition, **you** will need to download a claim form from **our** website.

Please complete Section A of the claim form. If the total amount of **your** claim is likely to exceed US\$500 (or the foreign currency equivalent), please take the claim form with **you** when **you** visit **your doctor** and ask him or her to complete and sign Section B of the claim form.

Scan the completed claim form and the fully itemised invoices for the **treatment you** have received, and send to [claims@william-russell.com](mailto:claims@william-russell.com).

Even if **your** claim is less than US\$500 **we** may in some cases require **your doctor** to complete and sign section B of **your** claim form before **we** can settle **your** claim.

**We** can only reimburse **your** claim when **we** have fully itemised invoices which give a breakdown of the **treatment** and medical services **you** have received, and any drugs **you** have been prescribed.

Please retain **your** original invoices for up to 12 months. **We** may require **your** original claim form and invoices for auditing purposes.

#### Claims for which a medical referral letter is required

If **you** are claiming for **out-patient** physiotherapy, an MRI, CAT (CT) or PET scan **you** must also send **us your medical referral letter**. If **you** are claiming for a PET SCAN, **you** must also send **us your specialist's medical referral letter**.

#### Supplying the information required to process your claim

**We** can accept the information required to process **your** claim via email. Simply, scan in PDF format **your** itemised invoices, receipts, **medical referral letter** (when required) and **your** fully completed claim form and email them all to [claims@william-russell.com](mailto:claims@william-russell.com). Please always retain the original copies of everything for a period of 12 months as **we** reserve the right to receive these documents before **we** assess **your** claim. **We** may also require them at any time for auditing purposes. Or, **you** can send the information required to process **your** claim by post.

**You** must submit **your** claim within 6 months of **your treatment** date, unless it was not reasonably possible for **you** to submit the claim within this time.

**We** will not pay fees charged by a **medical practitioner**, or anyone else, for completing a claim form.

#### Paying your claim

Where possible **we** will settle invoices for **in-patient** or **day-patient treatment** direct with the **hospital** or **medical services provider**. **We** will deduct any **excess** or **co-insurance** amount, as well as any other ineligible items, and **you** will be responsible for paying the shortfall direct to the **hospital** or **medical services provider**.

If **we** are paying **you** direct, **our** preferred method of payment is bank transfer.

**We** will only make payment to **you** or to the **medical services provider** that provided **your treatment**.

If **we** or the **Assistance Service** pre-authorise costs which subsequently turn out to have been related to a condition which is not covered by **your plan**, **you** will be responsible for all the costs incurred, and if **we** have made any settlement on **your** behalf, **you** will be responsible for repaying to **us** the amount **we** have paid.

#### Exchange rates

**We** will settle **your** claim in US dollars unless **you** instruct **us** otherwise. If **we** have to make a currency conversion, **we** will use the historic exchange rate (provided by [oanda.com](http://oanda.com)) applicable on the date of each separate invoice **you** submit.

Exchange rates are imported into **our** computer system overnight, each night, using the live exchange rate at the time of the import. This may vary slightly from the historic exchange rates shown on [oanda.com](http://oanda.com) for the relevant day, which are based on the average exchange rate for the day.

If **we** have placed a Guarantee of Payment **we** will use the exchange rate applicable on the date **we** placed the guarantee.

#### Excesses, co-insurance and benefit limits

The **excess** shown on **your certificate of insurance** is the amount **you** will have to pay towards the cost of **your treatment**.

If **your plan** has an **excess** and the benefit **you** are claiming for has **co-insurance** and/or limits, **we** will apply the **co-insurance** first, then the **excess**, then the limit.

If **you** have chosen a **plan** which has an **excess** per claim, this is the amount **you** will have to pay each time **you** make a new claim for **treatment** covered by **your plan**. New claims are those that are for a condition which is not related to an existing claim.

If **your** claim is for the **treatment** of a **chronic condition**, AIDS/HIV, or for **out-patient** follow up consultations and/or tests for cancer and the **treatment** continues into a new **period of cover**, **we** will treat it as a new claim. In these circumstances **we** will re-apply the **excess** at **your plan renewal date** and each subsequent **plan** renewal until the claim is finished.

If **your excess** is per annum it will be applied once per **period of cover**. For example, if **your excess** is US\$250 per annum, **we** will not pay for the first US\$250 of eligible expenses **you** incur during **your period of cover**. **We** will apply one **excess** per **period of cover** irrespective of the number of claims **you** make. **You** must submit all eligible claims to **us** - even claims within **your annual excess**, as **we** will only be able to reimburse **you** when the value of the eligible expenses **you** incur exceeds the amount of **your annual excess**. When **you** renew the **plan**, the annual **excess** will apply again in respect of **your new period of cover**.

#### Our right to request additional information

**We** may need to ask for additional information to enable **us** to assess **your** claim, such as further medical reports or tests, or an independent medical examination. If **you** do not agree to supply **us** with any reasonable additional medical information **we** ask for, **we** will not be able to assess **your** claim.

If **you** require ongoing **treatment** **we** may ask for further medical information and if **we** do, the cost of providing this information must be borne by **you**. **We** are unable to return original documents such as invoices or medical letters, but **we** will send **you** copies upon request.

#### Our right to request a treatment review

**We** will not pay for **treatment** which in **our** opinion is inappropriate based on established medical and clinical practice and **we** are entitled to conduct a review of **your treatment** when it is reasonable for **us** to do so.

#### Illness or injury caused by a third party

If **you** are claiming for an illness or injury that was caused by some other person or organisation (a third party) **you** must let **us** know in writing straight away, or tell **us** on **your** claim form. **We** will then pay benefit in accordance with the terms of this **agreement** provided that **you** take all necessary steps **we** ask **you** to take to assist **us** in recovering **our** costs from the person or organisation at fault (such as through their insurance company) the cost of the **treatment** paid for by **us**, plus interest, at **your** own expense.

If **you** pursue a personal claim for damages against the third party, **you** must provide **us** with the full name and address of the solicitor handling the action. **We** will then contact the solicitor to register **our** interest and seek to recover **our** own costs, plus interest, in addition to any damages that **you** may recover or be awarded. **We** reserve the right to appoint **our** own solicitor to act on **your** behalf in this matter and to take over the conduct of the action.

If **you**, or any **insured person**, are able to recover from the third party (whether or not through legal action) compensation that includes **any treatment** costs **we** have paid, **you** must repay that amount to **us**. Any interest that **you** or any **insured person** may also have been awarded that relates to the recovered **treatment** costs **we** have paid for must also be repaid to **us**. If **you** only receive a proportion of **your** claim for damages then **you** must repay to **us** the same proportion of **our** costs.

#### If you are covered by another insurance plan

If **you** have any other insurance that covers the same costs as **we** do, **we** will only pay **our** proportionate share of the claim. In this event, **you** must provide **us** with full details of the other insurance, including the name and address of the other insurer, their policy and claim number and any other relevant information, when **you** first submit **your** claim. **We** will then contact the other insurance company to ensure that **we** only pay **our** proportion of the claim. This may involve **us** sending **your** personal information regarding **your** claim to the other insurer.

**We** will also allow sums paid by another insurer to be offset against **the excess** payable under **your plan** with **us**, subject to receiving confirmation from the other insurer of any amounts already paid by them, and subject to the **treatment** costs being eligible for cover under **your plan** with **us**.

## 6. GENERAL INFORMATION ABOUT YOUR PLAN

### PREMIUMS

#### Plan premiums

The **plan premiums** are age-related and will increase as **you** get older. The **plan premiums** are not guaranteed for the duration of **your plan** and are subject to annual review.

All **premiums** are payable in advance of the **premium due date** as shown on **your** invoice. **Premiums** must be paid in US dollars.

**You** may pay **your premiums** by the following method:

- Annually by cheque, bank transfer, or an acceptable credit or debit card.
- Half-yearly, quarterly, or monthly by an acceptable credit or debit card.

If insurance premium tax or any similar charge is levied by the government in **your country of residence**, **you** must also pay to **us** the amount of such tax.

**Premiums** must be paid directly to **us**. If **you** pay **your premiums** to anyone else such as an intermediary or insurance broker, then that person is acting on **your** behalf as **your** agent. **We** are not responsible for any **premiums** paid to any third party.

When **you** provide **us** with **your** debit/credit card details **you** are authorising **us** to debit **your** account with the appropriate **premiums** due for the current **plan** year and for all subsequent renewal **premiums** due as invoiced by **us**, until such time as **you** advise **us** in writing that **you** wish to alter **your** payment method or cancel **your plan**. It is **your** responsibility to keep **us** informed about **your** current credit/debit card details. Provided the details **we** hold for **you** are still valid, **we** will automatically debit **your** account with **your** renewal **premium** on or before **your** renewal date.

#### Unpaid or late premiums

**We** will automatically cancel **your** cover if **you** fail to pay **your premium** on or before the **premium due date**, or if **we** are unable to collect **your premium** from **your** credit/debit card for any reason.

**We** may allow **your** cover to continue without **you** having to complete a new **application form** and health declaration if **you** pay the outstanding **premium** within 30 days of the **premium due date**. During this 30 day period **we** will not accept any claims for **treatment** incurred on or after the **premium due date** until **you** have paid the **premium due**. This also applies to **treatment** that **we** have already pre-authorised.

If **you** do not pay **your premium** within 30 days of the **premium due date**, **we** will cancel **your plan** from midnight on the day before **your** **premium due date**. Once **we** have cancelled **your plan**, **you** will have to complete a new **application form** which will be subject to **medical underwriting**.

## MAKING CHANGES

### Enhancing your cover

**You** may apply to enhance **your** cover at any time by completing a new **application form**, and the enhanced cover will be subject to **medical underwriting**.

If **we** accept **your application** for enhanced cover, **we** will issue an invoice for the increased **premium**. **Your** enhanced cover will commence from the date **we** receive **your premium**, provided it is received within 30 days of the date of **your application**.

If **you** enhance **your plan type**, claims in respect of benefits that are subject to a **waiting period** will be assessed in accordance with **your** former **plan type** until the expiry of **your new plan's waiting period** for that benefit.

If **you** enhance **your plan type** from Essential Care to Essential Care Plus **you** will not be eligible to claim for any expenses related to **complications of pregnancy** that arise within the first 10 months of **your** Essential Care Plus **plan**.

If **you** apply to reduce **your excess**, **we** will continue to apply **your** previous **excess** to any claim for any condition that first manifests itself after **your** original **date of entry** to **your** previous **plan**, but before the date **your excess** is reduced. If **you** wish to transfer **your plan type** from Essential Care Plus to Essential Care and **you** apply to decrease **your excess**, **your** previous **excess** will continue to apply for a **waiting period** of 10 months in respect of claims for the **complications of pregnancy** benefit.

### Reducing your cover

If **you** wish to reduce the cover under **your plan** in any way, **you** must tell **us** in writing and **we** will make the change from **your next renewal date** only.

**We** may refuse any request to change **your excess** to a per annum basis.

If **you** wish to cancel the Emergency evacuation (enhanced) benefit, it will be cancelled for all **insured persons** on **your plan**.

### Changing your plan currency

The **plan** currency is US dollars – this cannot be changed.

### Adding dependants to your plan

**You** may apply for cover on behalf of **your** spouse or partner, provided they are under 70 years of age on their **date of entry**.

**You** may also apply for cover for **your eligible dependant** children, provided they are under 18 years old, or under 25 years old if they are in continuous full-time education. **We** reserve the right to request proof of a child being in full-time education.

**We** will not commence cover for a new **eligible dependant** until **we** have accepted their **application** and **we** have received payment of their **premium**.

### Adding newborn babies to your plan

**You** may add **your** newborn child to **your plan**, without any **medical underwriting**, provided **you** notify **us** of their full name and date of birth, and make payment of their **premium**, within 30 days of their date of birth. The child's cover will be restricted to the cover provided by **your** (the **plan holder's**) **plan type**.

If **you** wish **your** child to have cover that is enhanced in any way in comparison to **your** (the **plan holder's**) cover **we** will require an **application form**, and **your** child's **application** will be subject to **medical underwriting**.

If **you** do not inform **us** about the birth of **your** child within 30 days of their birth, and/or **you** do not pay the additional **premium** within 30 days of their date of birth, **you** will have to make a new **application** for **your** child to be added to **your plan**, and this **application** will be subject to **medical underwriting**.

Newborn children who have been born as a result of **assisted reproduction treatment** and born within 36 weeks of conception are always subject to **medical underwriting**.

### In the event of the death of an insured person

If **you** (the **plan holder**) die, provided no claim has been made on **your plan**, **we** will refund any **unused premium** from **your** date of death.

If **you** (the **plan holder**) have **eligible dependants** insured under **your plan**, as the contract is between **us** and **you** as the **plan holder**, **we** will have to transfer **your eligible dependants** on to their own **plan**.

To enable **us** to do this **we** will require a new **application form** which must be completed and returned to **us** within 30 days of **your** date of death. Provided **we** receive the new **application form**, and provided **premiums** continue to be paid up to date, **we** will continue their cover as before.

If **your eligible dependants** want to continue with cover that is enhanced in any way in comparison to their previous cover, they will have to complete a new **application form** and this new **application** will be subject to **medical underwriting**.

If **your eligible dependants** are under the age of 18, their legal guardian will have to sign the **application form** as the **plan holder** on their behalf.

If an insured **eligible dependant** dies, please inform **us** as soon as possible. If they have made no claim on their **plan**, any **unused premium** from their date of death will be refunded. However if the deceased **insured person** had made a claim, no **premium** refund will be made.

### Divorce and separation

If **you** (the **plan holder**) have **your** spouse or partner included under **your plan** and **you** become separated or divorced, **we** will have to transfer **your** insured spouse or partner on to their own **plan**. To enable **us** to do this **we** will require **your** spouse or partner to complete a new **application form** which must be completed and returned to **us** within 30 days of **your** date of divorce or separation.

Provided **we** receive the new **application form**, and provided **premiums** continue to be paid up to date, **we** will continue to cover **your** insured ex-spouse or partner as before. If **your** ex-spouse or partner want to continue with cover that is that is enhanced in any way in comparison to their previous cover, they will have to complete a new **application form** and this new **application** will be subject to **medical underwriting**.

### When a child dependant is no longer eligible to be covered under your plan

If one of **your** children has married, or has reached the age of 18 (or the age of 25 if they are in full time education) they will no longer be eligible to be included in **your plan** from the **renewal date** following their marriage/birthday.

However, **your** child may apply to continue their cover on their own **plan**, at the applicable adult **premium** rate, provided they send **us** their completed **application form** and **we** receive the appropriate **premium** within 30 days of **your renewal date**.

If they want to continue with cover that is enhanced in any way in comparison to their previous cover, they will have to complete a new **application form** and any enhancement in their cover will be subject to **medical underwriting**.

If **we** do not receive **your** child's **application form** and **premium** within 30 days of **your renewal date**, their cover will automatically cease from midnight on the day before **your renewal date**. If they subsequently wish to apply for cover, they will have to complete a new **application form** and this new **application** will be subject to **medical underwriting**.

### Changing your address, country of residence or nationality

**You** must inform **us** if **you** change **your** address and provide **us** with the new details.

If **you** change **your country of residence** or **you** change **your home country**, **you** must tell **us** straight away.

### If you take up residence in an excluded or restricted country and/or region

Under the terms of this **agreement** cover is not available to **you** if **you** take up residence in an excluded or restricted country and/or region, irrespective of **your** nationality.

These countries and/or regions are as follows: USA, Canada, any **Caribbean country or island**, all countries within the European Union, Andorra, Channel Islands, Gibraltar, Greenland, Iceland, Liechtenstein, Monaco, Norway, San Marino, Switzerland, Australia, Bali, China, Hong Kong, Japan, Macau, New Zealand, Singapore and Taiwan.

If **you** take up residence in an excluded or restricted country and/or region **you** must tell **us**. **Your** cover will automatically terminate from the date on which **you** take up residence in the excluded or restricted country and/or region.

## AT RENEWAL

### Renewing your plan

**You** may continue to renew **your plan**, each year, regardless of **your** age or state of health, or the number or value of claims **you** have made. **We** will not cancel **your plan** unless **we** are entitled to do so under **our** cancellation policy.

Prior to **your plan renewal date** **we** will send **you** an invoice by email stating **your premiums** for **your new period of cover**.

**Your premium** for each new **period of cover** will be determined by the following:

- **your** age at the start of **your new period of cover**
- the ages of **your eligible dependants** at the start of their new **period of cover**
- the number of eligible children **you** insure
- **your plan type**
- **your area of cover** and
- **your excess** amount

Other factors may affect **your** renewal **premiums**, such as general changes **we** make to **our plan premiums** annually, and changes to the discounts **we** apply to increase the standard **excess**, to the loadings **we** make to decrease the standard **excess**, to the child **premium** discounts, and to the surcharge for instalment **premiums**.

**We** may also change the methods of payment **we** offer.

**Your premiums** may also be affected by the introduction of, or increase to insurance premium tax or other tax, levy or charge applicable in **your** county of residence.

**We** may also change the benefits offered by **your plan type** and if **we** do, **we** will write to **you** before **your renewal date** to confirm these benefit changes. Any changes **we** make to **your** benefits will come into effect from the **renewal date** of **your plan**.

From time to time **we** may decide to discontinue the **plan** **you** are a member of. If this happens **we** will transfer **your** membership to another similar **plan**.

### Paying your renewal premium

**You** must pay **your renewal premium** on or before the **due date**.

If **you** pay **your premium** by credit or debit card, unless **you** tell **us** not to, and provided **your** credit and debit card details are current, **we** will withdraw **your renewal premium** on or around its **due date**.

If **you** do not pay **your renewal premium** within 30 days of the **premium due date**, **we** will cancel **your plan** from midnight on the day before **your premium due date**.

**We** may allow **your** cover to continue without **you** having to complete a new **application form** and health declaration if **you** pay the outstanding **premium** within 30 days of the **premium due date**. During this 30 day period **we** will not accept any claims for **treatment**

incurred on or after the **premium due date** until **you** have paid the **premium due**. This also applies to **treatment** that **we** have already pre-authorised.

If **you** do not wish to renew **your plan** **you** must inform **us** in writing as soon as **you** receive **your** renewal **premium** invoice and prior to **your** **renewal date**.

## CANCELLATION

### Cancelling your plan

If **you** decide **you** wish to cancel **your plan**, **you** must instruct **us** in writing by letter, email or fax. **We** will cancel **your** cover from the date **we** receive **your** written instruction unless **you** have instructed **us** to cancel **your plan** from a date in the future. **We** cannot cancel **your plan** prior to receiving **your** written instruction.

Provided there have been no claims made, **we** will refund any **unused premium**. If a claim has been made by any **insured person**, no **premium** refund will be paid.

### When we can cancel your plan

**We** have the right to cancel **your plan** if:

- **you** do not pay **your premium** and other charges such as insurance premium tax within 30 days of any **premium due date**
- **you** are no longer eligible to be included in the **plan** or **you** move to a country where **we** are unable to offer health cover
- **you** have not provided **us** with medical information **we** have requested to enable **us** to assess a claim or any potential claim that may arise in the future
- **you** have not repaid to **us** fully any ineligible claim payments **we** have invoiced **you** with
- **we** reasonably suspect that any **insured person** has misled **us** or attempted to mislead **us**, whether intentionally or carelessly, either at the time of joining or when making a claim, by:
  - providing **us** with incomplete or false information; or
  - working with another party to provide false information to **us**; or
  - changing original documents

If **we** cancel **your plan** for any of the above reasons **we** will not refund any **premium** **you** have paid to **us**.

## OTHER INFORMATION

### Child premium discounts

When **you** have **eligible dependant** children included in **your** (the **plan holder's**) **plan**, the child **premium** discounts will be applied as follows:

- the first child will be charged 100% of the child **premium** rate
- the second child will be charged 75% of the child **premium** rate
- the third child and all subsequent children will be charged 50% of the child **premium** rate

If a child leaves **your** (the **plan holder's**) **plan**, **we** will re-calculate the **premiums** for the remaining children with effect from the date on which the child leaves. This means that the child **premiums** **you** pay will always be based on the actual number of children **you** insure.

### When we may apply special terms to your plan

**We** have the right to apply **special terms** to **your plan** if **you** give **us** inaccurate or incomplete information. Such **special terms** will be applied from **your date of entry**.

The arbitration shall be conducted in English and English law shall apply. A sole arbitrator shall be appointed by the International Chamber of Commerce of Paris unless the parties to the dispute agree otherwise.

The choice of provider of the **treatment** or services for which **you** are claiming under this **plan** is **your** responsibility. **We** make no representations or recommendations regarding the availability and standard of any **treatment** or services offered or provided by any **hospital** or medical services provider. **We** will not be held liable to **you** or any **insured person** for any loss, harm or damage of any description resulting from lack of availability or from a defect in the quality of any **treatment** or service offered or provided by any **hospital** or medical services provider. ### Unused premium

The amount of **premium** that is attributable to the period from the date after the date of cancellation, up to the date before the next **premium due date**.

In the event of a refund of **unused premium** being eligible, the **unused premium** amount refunded, (using an annually paid plan as an example), will be the annual **premium** paid divided by 12 and multiplied by the number of whole calendar months remaining in the **period of cover**. If the plan is cancelled part way through a month, an additional amount, equal to one twelfth of the annual **premium** paid, multiplied by the proportion of days in the calendar month of cancellation will also be paid.

For example, if the annual **premium** for an **insured person** is US\$3,000, the **period of cover** is 1<sup>st</sup> January to 31<sup>st</sup> December 2016, and the **insured person** leaves the plan on 27<sup>th</sup> September 2016, the **unused premium** will be US\$775, as:

- $((US\$3,000 / 12) \times 3) = US\$750$  for the 3 whole months without cover (October, November and December); added to -
- $((US\$3,000 / 12) \times 0.1) = US\$25$  for the 3 days in September without cover (the 0.1 calculated in this example by dividing 3 (the days in September without cover, i.e. the 28<sup>th</sup>, 29<sup>th</sup> and 30<sup>th</sup>) by the total number of days in September (30)).

Appropriate calculation methods using the same principle as the above example will be used if the **premium** frequency is not annual.
