1. THE CORPORATE GLOBAL HEALTH EMPLOYEE PLAN AGREEMENT

This **agreement** is subject to the terms, conditions and exclusions of the **master certificate of insurance we** issue to **your employer**. A copy of this is available from **your employer**.

The terms of this **agreement** apply to **you** and to all of **your eligible dependants** as stated in the schedule of **insured persons** on **your certificate of insurance**.

Eligibility to join your employer's plan

Eligibility to join **your employer's** health **plan** is as agreed between **us** and **your employer** and is shown on **your employer's master certificate of insurance**.

If **you** are eligible to join, **you** must join within 30 days of becoming eligible to do so.

Your eligible dependants must also join the **plan** at the same time as **you** join, or within 30 days of becoming eligible to do so, if they only become eligible to join at a later date.

If **you** or **your dependants** do not join within 30 days of becoming eligible to do so **we** may refuse to offer cover, or only offer cover subject to **special terms**.

The purpose of your plan

Your plan provides **you** with cover for treating eligible medical conditions which arise after **your date of entry**.

We will pay for the **reasonable and customary** cost of **medically necessary**, recognised **treatment** of medical conditions covered by **your plan**. **We** will only pay for such **treatment** if it is received during **your period of cover**, and provided **your premium** payments have been kept up to date by **your employer**.

Any reimbursement **we** make may be subject to an **excess** and/or **co-insurance**, and certain benefits are subject to a benefit limit. **Your excess** amount will be stated on **your certificate of insurance**. Any **co-insurance** and benefit limits will be as stated in the **table of benefits** for **your plan type**.

Your obligation to provide information relating to your own, and to your eligible dependants' medical history

We rely on the information **you** supply to **us** in **your application form** when **we** decide whether or not to accept **your application**, and whether or not **we** need to apply **special terms**.

If **your application form** omits facts or contains materially incorrect or incomplete facts, **we** have the right to declare **your plan** void. Alternatively **we** may impose **special terms** on **your** particular **plan** which will apply from **your date of entry**.

If **your** state of health, or the state of health of any of **your eligible dependants** changes between the time **you** complete **your application form** and **your date of entry**, **you** must tell **us** in writing about the change, and **we** may only be able to accept **your application** with **special terms**.

5. MAKING A CLAIM

As stated in the **table of benefits**, there are certain benefits and **treatments** for which **you** must obtain pre-authorisation.

If **you** need to claim for a benefit or **treatment** for which **you** must obtain pre-authorisation, **you** must contact **us** in advance of starting **your treatment** and give **us** all the information **we** require to assess if **your** proposed **treatment** will be eligible for cover under **your plan**. If **your** proposed **treatment** is eligible for cover, **we** will pre-authorise all eligible expenses. **We** will not pay for any **treatment** costs or expenses that have not been pre-authorised by **us** in advance.

Eligible medical services providers

You have the freedom to choose when and where **you** receive **your** medical **treatment** within **your area of cover**. **We** do not have **hospital** lists which restrict where **you** can have **your treatment**.

If you have Area Two or Area Three cover and you seek treatment in the USA

All **treatment you** receive in the USA must be pre-authorised in advance by **us** or by the **Assistance Service**. **We** will not pay for any **treatment** in the USA that has not been pre-authorised.

If **we** instruct a local agent to arrange the billing and/or cost adjustment of **your** medical **treatment** expenses in the USA, any fees charged by the local agent will be deducted from the USA benefit limit available under **your plan**, as stated in the YOUR AREA OF COVER section.

If you are admitted to hospital

All **in-patient** and **day-patient hospital treatment** must be pre-authorised by **us** or by the **Assistance Service**.

Please contact **us** as soon as **you** know **you** need to have **in-patient** or **day-patient treatment** so **we** can contact the **hospital** to obtain the necessary medical information.

We will ask **you** to complete a pre-authorisation form and a consent form for the **hospital** to release details to **us**. Once **we** have received all information required from the **hospital** and **yourself** (to include any additional information **we** may request) **we** will advise **you** if the proposed **treatment** will be covered by **your plan**.

Please note, if **you** contact **us** less than 48 hours in advance of **your** admission **we** may be unable to authorise **your treatment** in time and **you** may be required to pay for the **treatment yourself** and submit a claim for reimbursement.

If **you** are admitted to **hospital** in an emergency and it is not reasonably possible for **you** to contact **us** in advance of **your** admission, **we** will consider **your** claim, provided **you** contact **us** within 72 hours of **your** admission. If **you** do not contact **us** within 72 hours, **we** may decline **your** claim, or subject **your** claim to 20% **co-insurance**.

If you have out-patient treatment

Although most **out-patient treatment** does not need to be pre-authorised in advance by **us**, **we** recommend that **you** do contact **us** or the **Assistance Service**, even in the event of an emergency, before undergoing any **treatment** to ensure that the **treatment** is covered by **your plan**.

How to claim back your eligible treatment costs

If **you** are claiming for a medical condition, **you** will need to download a claim form from **our** website.

Please complete section A of the claim form. If the total amount of **your** claim is likely to exceed US$500 (or the foreign currency equivalent), please take the claim form with **you** when **you** visit **your doctor** and ask him or her to complete and sign section B of the claim form.

Scan the completed claim form and the fully itemised invoices for the **treatment you** have received, and send to claims@william-russell.com

Even if **your** claim is less than US$500 **we** may in some cases require **your doctor** to complete and sign section B of **your** claim form before **we** can settle **your** claim.

We can only reimburse **your** claim when **we** have fully itemised invoices which give a breakdown of the **treatment** and medical services **you** have received, and any drugs **you** have been prescribed.

Please retain **your** original invoices for up to 12 months. **We** may require **your** original claim form and invoices for auditing purposes.

Claim forms are not required however when **you** are claiming for the following benefits:

Well-being and dental claims: If **you** are claiming for the well-being benefit, or dental benefit please send **us** the fully itemised invoices for which **you** are claiming reimbursement, together with **your** bank account details.

Compassionate home travel claims: If **you** are claiming for the compassionate home travel benefit please send **us** a copy of the death certificate of **your close family member**, together with a copy of the invoice for **your** return airfare, stating the class of travel, and **your** bank account details.

Claims for which a medical referral letter is required

If **you** are claiming for **out-patient** physiotherapy, chiropractic **treatment**, podiatric **treatment**, **out-patient** psychiatric **treatment**, a dietician consultation or an MRI or CAT (CT) scan **you** must also send **us your medical referral letter**. If **you** are claiming for a PET scan, **you** must also send **us your specialist's medical referral letter**.

Supplying the information required to process your claim

We can accept the information required to process **your** claim via email. Simply, scan in PDF format **your** itemised invoices, receipts, **medical referral letter** (when required) and **your** fully completed claim form and email them all to claims@william-russell.com. Please always retain the original copies of everything for a period of 12 months as **we** reserve the right to receive these documents before **we** assess **your** claim. **We** may also require them at any time for auditing purposes. Or, **you** can send the information required to process **your** claim by post.

You must submit **your** claim within 6 months of **your treatment** date, unless it was not reasonably possible for **you** to submit the claim within this time.

We will not pay fees charged by a **medical practitioner**, or anyone else, for completing a claim form.

Paying your claim

Where possible **we** will settle invoices for **in-patient** or **day-patient treatment** direct with the **hospital** or **medical services provider**. **We** will deduct any **excess** or **co-insurance** amount, and any other ineligible items, and **you** will be responsible for paying the shortfall direct to the **hospital** or **medical services provider**.

If **we** are paying **you** direct, **our** preferred method of payment is bank transfer.

We will only make payment to **you** or to the **medical services provider** that provided **your treatment**.

If **we** or the **Assistance Service** pre-authorise costs which subsequently turn out to have been related to a condition which is not covered by **your plan**, **you** will be responsible for all the costs incurred, and if **we** have made any settlement on **your** behalf, **you** will be responsible for repaying to **us** the amount **we** have paid.

Exchange rates

We will settle **your** claim in the currency in which **your employer** pays **your premium** unless **you** instruct **us** otherwise. If **we** have to make a currency conversion, **we** will use the historic exchange rate (provided by oanda.com) applicable on the date of each separate invoice **you** submit.

Exchange rates are imported into **our** computer system overnight, each night, using the live exchange rate at the time of the import. This may vary slightly from the historic exchange rates shown on oanda.com for the relevant day, which are based on the average exchange rate for the day.

If **we** have placed a Guarantee of Payment **we** will use the exchange rate applicable on the date **we** placed the guarantee.

Excesses, co-insurance and benefit limits

The **excess** shown on **your certificate of insurance** is the amount **you** will have to pay towards the cost of **your treatment**.

If **your plan** has an **excess** and the benefit **you** are claiming for has **co-insurance** and/or limits, **we** will apply the **co-insurance** first, then the **excess**, then the limit.

If **you** have a **plan** which has an **excess** per claim, this is the amount **you** will have to pay each time **you** make a new claim for **treatment** covered by **your plan**. New claims are those that are for a condition which is not related to an existing claim.

If **your** claim is for the **treatment** of a **chronic condition**, AIDS/HIV, or for **out-patient** follow up consultations and/or tests for cancer and the **treatment** continues into a new **period of cover**, **we** will treat it as a new claim. In these circumstances **we** will re-apply the **excess** at **your plan renewal date** and each subsequent **plan** renewal until the claim is finished.

If **your** claim is in respect of the well-being benefits, **your excess** will be applied once per **period of cover**.

If **your excess** is per annum it will be applied once per **period of cover**. For example, if **your excess** is US$250 per annum, **we** will not pay for the first US$250 of eligible expenses **you** incur during **your period of cover**. **We** will apply one **excess** per **period of cover** irrespective of the number of claims **you** make. **You** must submit all eligible claims to **us** - even claims within **your** annual **excess**, as **we** will only be able to reimburse **you** when the value of the eligible expenses **you** incur exceeds the amount of **your** annual **excess**. When **you** renew the **plan**, the annual **excess** will apply again in respect of **your** new **period of cover**.

Our right to request additional information

We may need to ask for additional information to enable **us** to assess **your** claim, such as further medical reports or tests, or an independent medical examination. If **you** do not agree to supply **us** with any reasonable additional medical information **we** ask for, **we** will not be able to assess **your** claim.

If **you** require ongoing **treatment we** may ask for further medical information and if **we** do, the cost of providing this information must be borne by **you**. **We** are unable to return original documents such as invoices or medical letters, but **we** will send **you** copies upon request.

Our right to request a treatment review

We will not pay for **treatment** which in **our** opinion is inappropriate based on established medical and clinical practice and **we** are entitled to conduct a review of **your treatment** when it is reasonable for **us** to do so.

Illness or injury caused by a third party

If **you** are claiming for an illness or injury that was caused by some other person or organisation (a third party) **you** must let **us** know in writing straight away, or tell **us** on **your** claim form. **We** will then pay benefit in accordance with the terms of this **agreement** provided that **you** take all necessary steps **we** ask **you** to take to assist **us** in recovering **our** costs from the person or organisation at fault (such as through their insurance company) the cost of the **treatment** paid for by **us**, plus interest, at **your** own expense.

If **you** pursue a personal claim for damages against the third party, **you** must provide **us** with the full name and address of the solicitor handling the action. **We** will then contact the solicitor to register **our** interest and seek to recover **our** own costs, plus interest, in addition to any damages that **you** may recover or be awarded. **We** reserve the right to appoint **our** own solicitor to act on **your** behalf in this matter and to take over the conduct of the action.

If **you,** or any **insured person**, are able to recover from the third party (whether or not through legal action) compensation that includes **any treatment** costs **we** have paid, **you** must repay that amount to **us**. Any interest that **you** or any **insured person** may also have been awarded that relates to the recovered **treatment** costs **we** have paid for must also be repaid to **us**. If **you** only receive a proportion of **your** claim for damages then **you** must repay to **us** the same proportion of **our** costs.

If you are covered by another insurance plan

If **you** have any other insurance that covers the same costs as **we** do, **we** will only pay **our** proportionate share of the claim. In this event, **you** must provide **us** with full details of the other insurance, including the name and address of the other insurer, their policy and claim number and any other relevant information, when **you** first submit **your** claim. **We** will then contact the other insurance company to ensure that **we** only pay **our** proportion of the claim. This may involve **us** sending **your** personal information regarding **your** claim to the other insurer.

We will also allow sums paid by another insurer to be offset against **the excess** payable under **your plan** with **us**, subject to receiving confirmation from the other insurer of any amounts already paid by them, and subject to the **treatment** costs being eligible for cover under **your plan** with **us**.

During this 30 day period **we** will not accept any claims for **treatment** incurred on or after the **premium due date** until **your employer** has paid the **premium** due. This also applies to **treatment** that **we** have already pre-authorised.

If **your employer** does not pay the **premium** within 30 days of the **premium due date, we** will cancel **your plan** from midnight on the day before **your premium due date**. Once **we** have cancelled **your plan, your employer** will have to reapply for cover and **you** will have to complete a new **application form,** which will be subject to **medical underwriting**.

MAKING CHANGES

Adding dependants to your plan

If the **plan** includes cover for **employees' dependants you** must apply for cover on behalf of **your** spouse or partner, if they are under 70 years of age on their **date of entry**.

You must also apply for cover for **your eligible dependant** children, if they are under 18 years old, or under 25 years old if they are in continuous full-time education. **We** reserve the right to request proof of a child being in full-time education.

We will not commence cover for a new **eligible dependant** until **we** have accepted their **application** and **we** have received payment of their **premium** from **your employer**.

Adding newborn babies to your plan

If the **plan** includes cover **for employees' dependants you** may add **your** newborn child to **your plan**, without any **medical underwriting**, provided **you** notify **us** of their full name and date of birth, and **your employer** pays the additional **premium** required, within 30 days of their date of birth. The child's cover will be restricted to the cover provided by **your employer's plan type**.

If **you** do not inform **us** about the birth of **your** child within 30 days of their birth, and/or **your employer** does not pay the additional **premium** within 30 days of their date of birth, **you** will have to make a new **application** for **your** child to be added to **your plan**, and this **application** will be subject to **medical underwriting**.

Newborn children who have been born as a result of **assisted reproduction treatment** and born within 36 weeks of conception are always subject to **medical underwriting**.

If **your** newborn child is not added to **your plan** they may still have some cover under **your plan** for their first 90 days of life. Please see the COVER FOR NEWBORN BABIES benefit for full details.

In the event of the death of an insured person

If **you** (the **employee**) die and have **eligible dependants** insured under **your plan**, they will no longer be entitled to be insured on the **plan** and will be removed from the date of **your** death. However, they may apply to be insured on their own individual **plan**, provided they are over the age of 18 years.

To enable **us** to do this **we** will require a new **application form** which must be completed and returned to **us** within 30 days of **your** date of death. Provided **we** receive the new **application form**, and the required **premium**, **we** will continue their cover as before but subject to **our** Individual **premium** rates.

If **your eligible dependants** want to continue with cover that is enhanced in anyway in comparison to their previous cover, they will have to complete a new **application form** and this new **application** will be subject to **medical underwriting**.

If **your eligible dependants** are under the age of 18, their legal guardian will have to sign the **application form** on their behalf.

If an **insured eligible dependant** dies, please inform **us** as soon as possible.

Divorce and separation

If **you** have **your** spouse or partner included under **your plan** and **you** become separated or divorced, **we** will have to transfer **your** insured spouse or partner on to their own **plan** as they will no longer be entitled to be covered on **your employer's plan**. To enable **us** to do this **we** will require **your** spouse or partner to complete a new **application form** which must be completed and returned to **us** within 30 days of **your** date of divorce or separation.

Provided **we** receive the new **application form**, and provided **premiums** are paid by the new **plan holder**, **we** will continue to cover **your** insured ex-spouse or partner as before, but subject to **our** individual **premium** rates. If **your** ex-spouse or partner wants to continue with cover that is enhanced in any way in comparison to their previous cover, they will have to complete a new **application form** and this new **application** will be subject to **medical underwriting**.

When a child dependant is no longer eligible to be covered under the plan

If one of **your** children has married, or has reached the age of 18 (or the age of 25 if they are in full time education) they will no longer be able to be included on the **plan** from the **renewal date** following their marriage/birthday. However, they may apply to be insured on their own individual **plan**.

To enable **us** to continue their cover as before **we** will require a new **application form** which must be completed and returned to **us** within 30 days of **your renewal date** along with the appropriate **premium** due, which will be subject to **our** individual **premium** rates.

If **your** child wants to continue with cover that is enhanced in any way in comparison to their previous cover, they will have to complete a new **application form** and this new **application** will be subject to **medical underwriting**.

If **we** do not receive **your** child's **application form** and **premium** within 30 days of **your renewal date**, their cover will automatically cease from midnight on the day before **your renewal date**. If they subsequently wish to apply for cover, they will have to complete a new **application form** and this new **application** will be subject to **medical underwriting**.

Changing your address, country of residence or nationality

You must inform **us** if **you** change **your** address and provide **us** with the new details.

If **you** change **your country of residence** or **you** change **your home country** or nationality, **you** must tell **us** straight away.

If the USA is or becomes your country of residence

Under the terms of this **agreement** cover is not available to **you** if the USA is or becomes **your country of residence**, irrespective of **your** nationality. If the USA becomes **your country of residence you** must tell **us**. **Your** cover will automatically terminate from the date on which **you** take up residence in the USA.

If you leave your employment

If **you** leave **your** employment **you** are no longer eligible to be included on **your employer's plan** and **you** will be removed on the date **your** employment ceases. In some circumstances **you** may be allowed to continue cover with **us** on an individual **plan** with no additional **medical underwriting**, but subject to **our** individual **premium** rates. If **you** would like more information about this then please contact **us**.
