

Your expat lifestyle secured,  
should you lose your income

**International income protection**

# Choosing the expat life takes imagination.

# Securing the lifestyle takes a plan.

You might have made your move abroad for greater opportunities, for an adventure, or simply for a better work/life balance. But if you were to lose your regular income because of ill health or an injury that prevents you from working, you could quickly lose your new lifestyle without a safety net in place.

With an income protection plan from William Russell, you'll be covered for long enough to get back on your feet. We'll provide you with a regular income benefit to help secure your family's lifestyle while you focus on getting better and back to work.

You can arrange cover easily, with a dedicated advisor handling any claim that you make. You can renew your plan each year until you reach age 65, even if your health deteriorates. Your cover is also portable and international, so you can take it with you wherever you are in the world.\*

\*There is no cover in Iran, Syria, South Sudan, North Korea, Libya, Central African Republic or Yemen.

Customers around the world have relied on us since 1992. How can we help you? Call us on +44 1276 486477 or visit [william-russell.com](http://william-russell.com).
